OFFICE OF PETITIONS

PETITION FOR FILING BY OTHER THAN INVENTOR UNDER 35 USC 118

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Examiner:

I petition to make application for patent on behalf of Norman Ken Ouchi (Dr. Ouchi), an inventor of the subject matter contained in the above-identified application.

Attached is an inventor's declaration that I signed on behalf of the Dr. Ouchi under 37 CFR 1.64 (Attachment A).

Solectron granted authority to me to sign the inventor's declaration and act on its behalf as attorney on the application (Attachment B).

Solectron Corporation (Solectron) employed Dr. Ouchi at the time the invention was made and has proprietary interest as follows:

1 On July 3, 1992, Dr. Ouchi executed an employment agreement, which includes an  
2 agreement to assign to Solectron all rights, title, and interest to inventions made,  
3 conceived, or developed while employed with Solectron (Attachment C).  
4

5 While employed at Solectron, Dr. Ouchi made the invention of the application as stated  
6 in the Statement of Robert Moll (Attachment D).  
7

8 Dr. Ouchi stated he would throw any application sent by Solectron in the garbage as stated in  
9 the Statement of Robert Aeschliman (Attachment E).  
10

11 On December 7, 2001, I sent a copy of the completed application along with an inventor's  
12 declaration to Dr. Ouchi to his last known address by Federal Express (Attachment D).  
13

14 Dr. Ouchi's last known address is 20248 Viewcrest Ct., San Jose, CA 95120  
15

16 Dr. Ouchi has not replied to my December 7, 2001 letter.  
17

18 Solectron must file the application on behalf of Dr. Ouchi in view of his refusal to preserve the  
19 rights of the parties or to prevent irreparable damage to Solectron.  
20

21 Attached is a check in payment of the fee required under 37 CFR 1.17(h).  
22

23 Respectfully submitted,
